It was here, where it happened, the things we learned, The knowledge we gained, the environment we matured in. Surrounded by the people we knew and those we didn't. Coming in frightened, uncertain — leaving with faith, ready for the future — the future which seemed so far away, so remote.

Shelly,
We didn't get to party at all this year. I really wish we could of the only thing I could say is remember that time in the car (with the makeup) Give me a call we have to go out. (873-2432) have fun next year at E.C. ha-ha

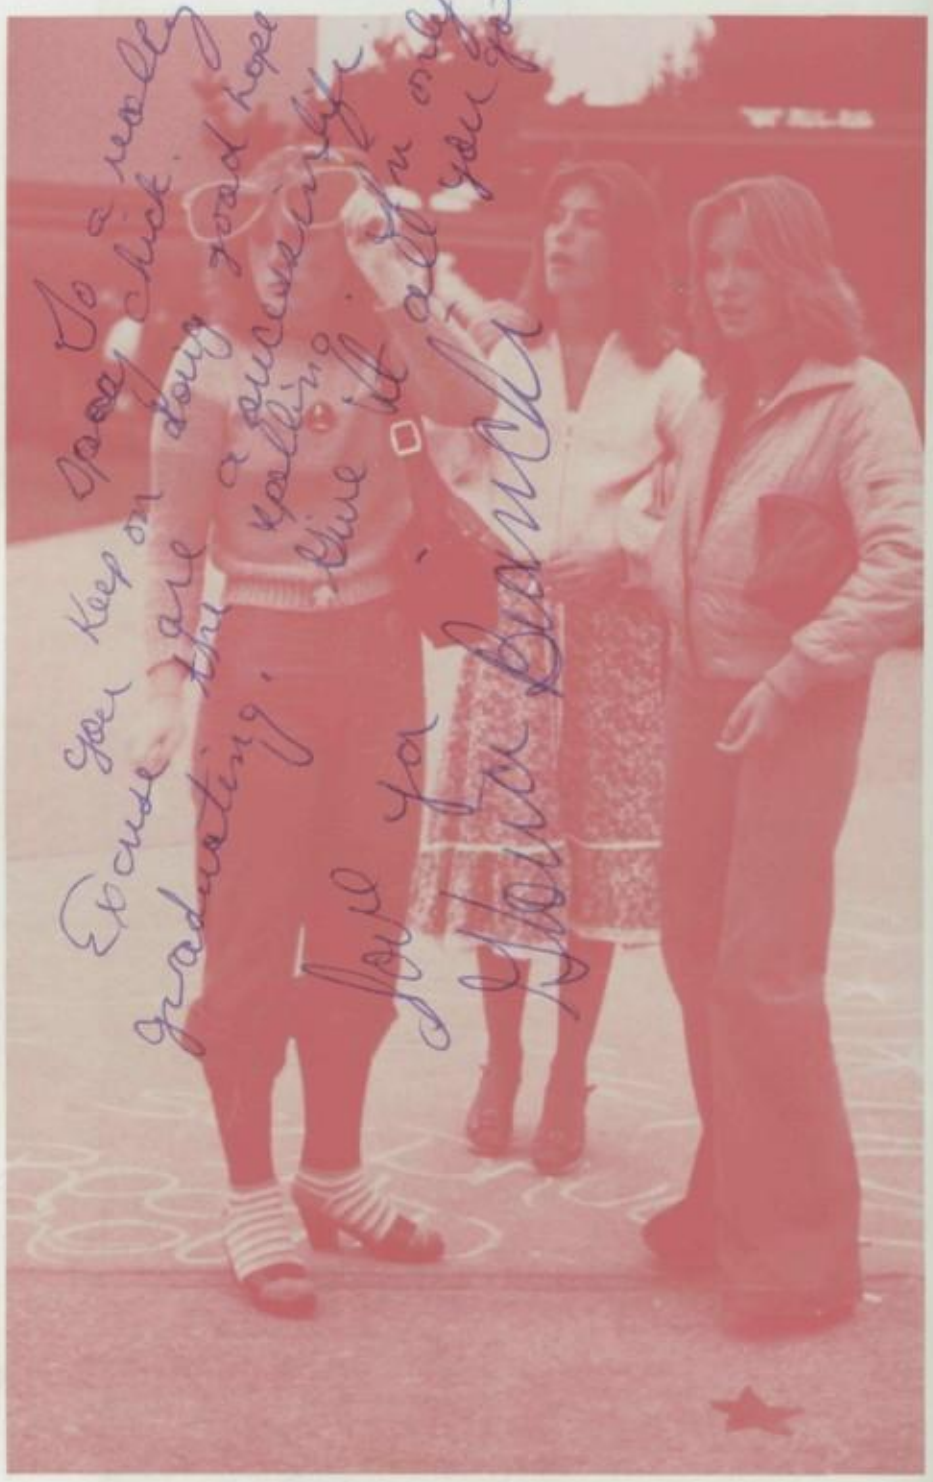
. . . El Camino Colts, Student life . . .

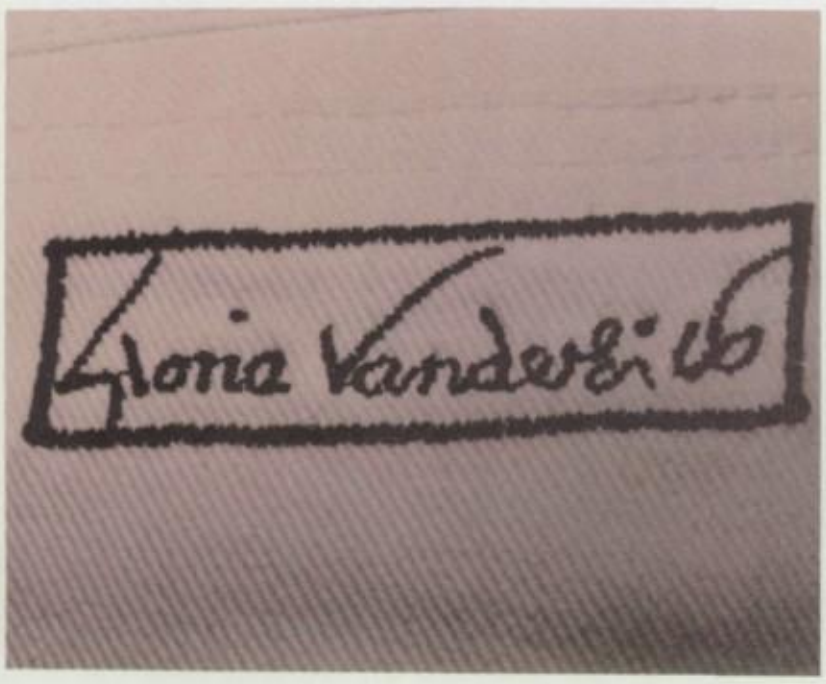


the Big Red, 2001 Punk Rock Day, record heat, El Camino '81!

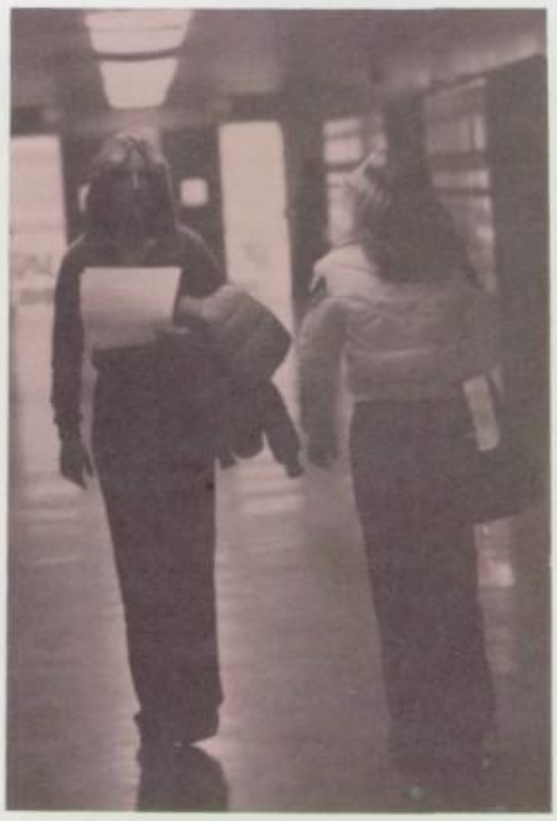
It's now we remember, the things we did, the things we didn't, and the things we weren't supposed to do.

Styles and fads, being part of relationships, are only fragments of our lives at school.

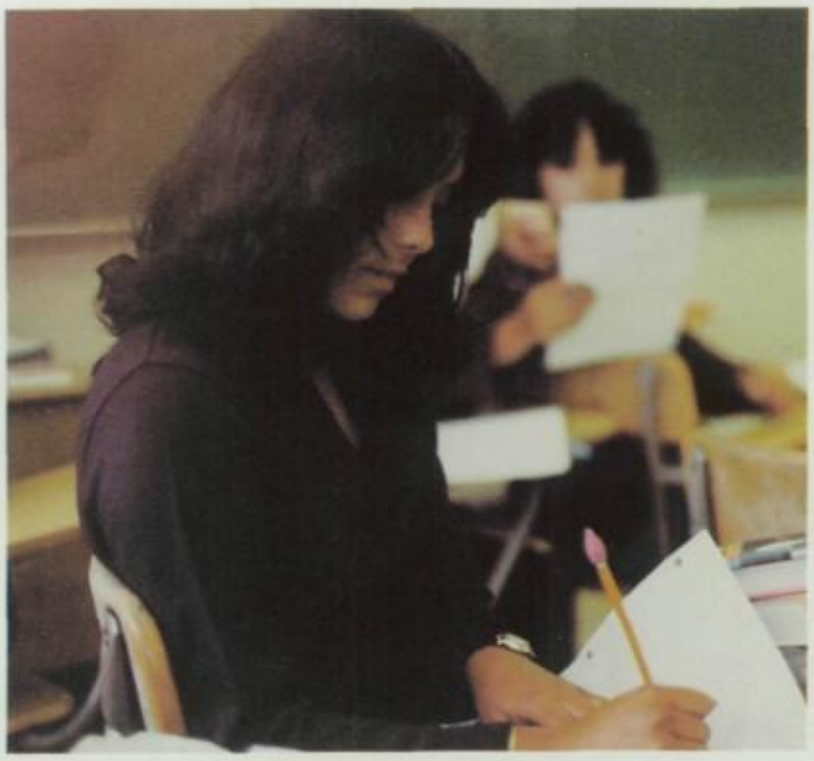
Designer Jeans, Rooting at the Battle for the Bell

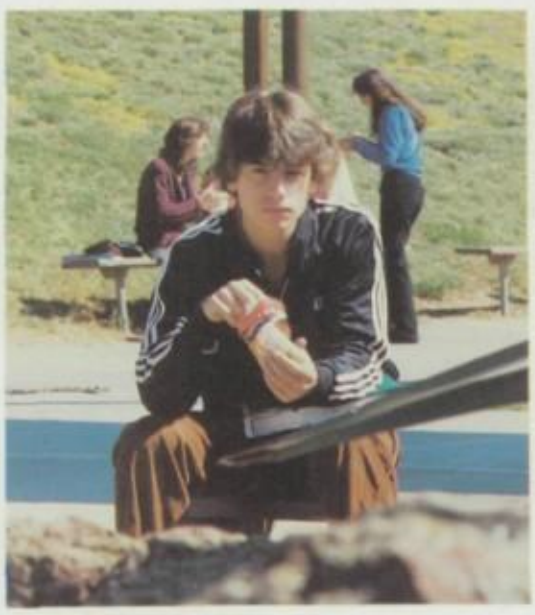


Enjoying ourselves at dances, cheering at the rallies,
Gathering for barbecues, talking between classes



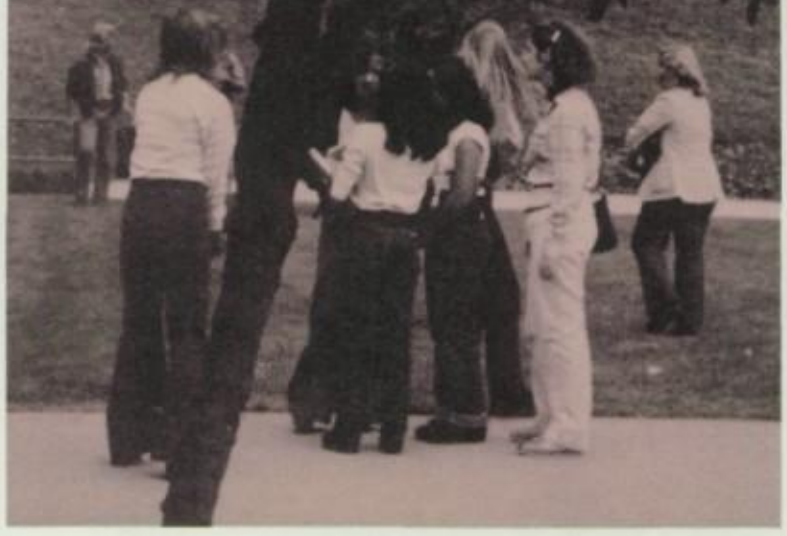
Fooling around in the hallways, struggling for a grade, and anticipating the Prom and Senior Ball.





It was them with whom we shared our years.
The different personalities . . .

Our years with our friends, our enemies, our teachers.



The timid, the aggressive, the confident, and the insecure; Leaving a lasting impression in our minds.

WE COULD HAVE D

ANCED ALL NIGHT

This year, there was a new trend in music, Punk Rock, that took over the school. We were "Whipping It" to Devo, "Turning Japanese" with the Vapors, and "Were Ready" with Kano.

Christmas Comes

To El Camino

EL CAMINO

GOES WESTERN

El Camino has always been into western. But with the success of the movie "The Urban Cowboy" and the T.V. show "Dallas", El Camino is even more into the western craze. More and more kids show up in school dressed in western attire.

Cowboy hats are popping up by the dozen. As usual, during Spirit Week we had Western Day. There was one exception. Not only were there people dressed in typical western garb, but there were those who were dressed as oil-rich Texans.

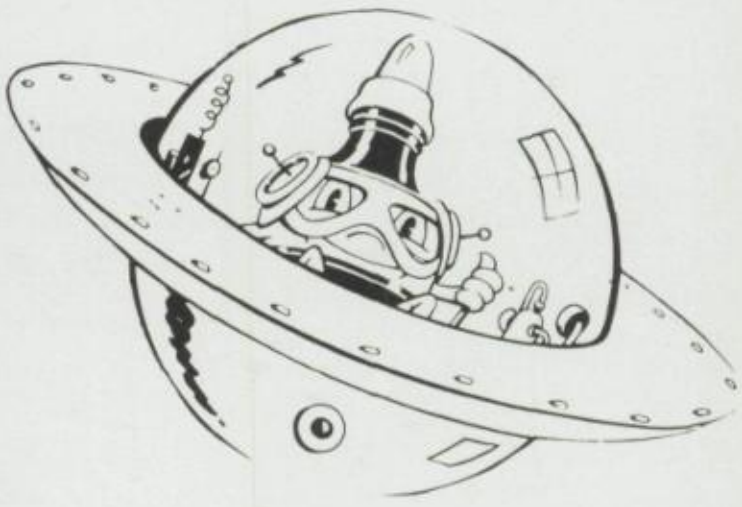
The "Western Craze" has even affected the faculty. Some can now be seen sporting cowboy hats and cowboy boots. Whether the craze lives long or dies out, El Camino will always be known as western.

TIME CAPSULE

When Nick Grgich was a junior at El Camino he worked on a project in Mr. Conlon's English class which involved burying a Time Capsule. He was unable to complete it, however, until the end of his Senior year. It was buried in December of 1980 in the courtyard.

Present for the Time Capsule burial were: The Mayor of South San Francisco, Ron Acosta; District Superintendent of Schools Tom Gaffney; Associate Superintendent Sheldon Winston; Principal Robert Keropian; Nick, and his mother, Mrs. Grgich.

Included in the capsule, which is to be unearthed on the occasion of the Class of '80's 20th reunion in the year 2000, are catalogs, menus, papers and poems written by members of the Class of 1980, a yearbook, magazines, and other items sure to be of interest in 2000.



The El Camino Student Government is an organiztion of student officers designed to coordinate all clubs and activities on campus. Shown above are: President Dante Ferando, Vice-President Eric Leano, Boy's Rep. Paul Escalante, Girls Rep. Teresa Latham, Treasurer Kathy Mattei, and Secretary Bernie Pineda.

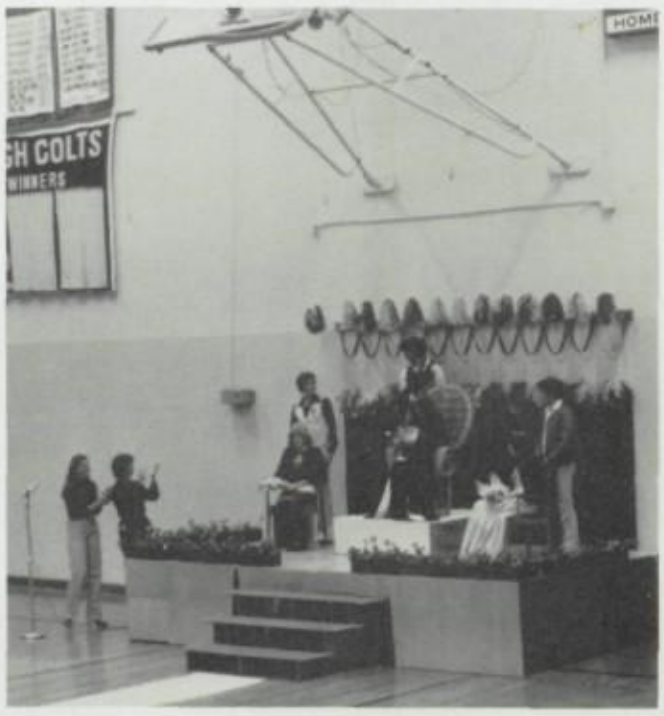
The Rally Committee is an organization whose main job is to plan and to present all of our rallies. During the course of a year, they put on between 4-6 rallies. These rallies are designed to build school spirit and to support after-school athletics.

The Rally Committee is pleased to see the faculty's, as well as the students', participation in rallies.



Multi - Cultural Club

The Multi-Cultural Club is involved in providing general peace and harmony among El Camino's student body. Among the fund raising activities they are involved in are the sale of doughnuts and milk in the cafeteria in the mornings and during the spring semester the sale of gift checks.

The goal these funds are reaching toward is the annual spring talent show, which features the many cultural talents of the community.

They also brought them gingerbread houses and sang German Christmas carols. Besides these activities the class is learning to speak, read, and write the German language under the expert instruction of Mrs. Barbara Scoble.

"S" Club

The "S" Club dedicates itself to following these guiding principals; service, leadership and cooperation. The girls raised $90.00 for Unicef on their Halloween drive.

Candy-grams brought pleasure to El Camino's students and faculty; almost 2400 were distributed. At the same time $142.00 was sent to the Salvation Army of South San Francisco to help the needy. VARSITY FOOTBALL

The Colts started the 1980 season with Coach Lonnie Beckenhauer at the helm, and planned a great season. Unfortunately, in the middle of the season Bryan O'Connor, Tim Santo, and Robert O'Malley were out with serious injuries. Even with the loss of the three starting linemen, the courageous team continued to have a positive attitude. They defeated Half Moon Bay and battled South San Francisco down to the final seconds of the game.

Kevin Boone, offensive lineman, and Jim Noonan, defensive back, were selected to be All League first team players.

The team would like to express their appreciation to the Booster Club, the Spirit Squad, the Band, and loyal fans for their support.

Hard work and perserverance paid off for this year's Jr. Colts as they culminated a successful but frustrating season by defeating South City 14-13. Although the team lost only one of its seven league games on the field, use of an ineligible player resulted in the team officially forfeiting the first five. This cost the Jr. Colts what would have been a third consecutive second-place finish behind undefeated Terra Nova.

This year's Girls' Volleyball team had a season of ups and downs. They finished in fifth place after holding fourth place for most of the season, losing to Half Moon Bay during the last week. This meant they would not go into the finals this year.

C BASKETBALL

This year's C Basketball team was a very hard-working one, according to Coach Rich Arias. Although they weren't successful in the manner of games won, they were very successful in their improvement and in their hard work and dedication throughout the season.

Members of the team included Klaus See-Tho, Paul Vera Flor, Bobby Salvatin, Peter Salvatin, Chris Wood, Ron Schuetz, Doug Fontana, Mike Levins, Mike Lewin, Ricardo Halili, Alejandro Halili, Leonard Laxamana, Mike Tolosa and Glenn Susbilla.

The El Camino Varsity Soccer Team's high hopes for another of its very successful N.P.L. campaigns were frustrated by a rash of injuries, illnesses and transfers of many of it's key players this year.

The "Never say die" Colts were contenders in every game as they had 3 ties and all but 20 of their losses were by only 1 goal, including a heartbreaking 1 to 0 loss to League Champions Terra Nova who went on to represent the N.P.L. in the Regional Playoffs.

Captains Dave Daneluz and Dominic Piazza and defensive standout Bob Var received All League honors.

This years wrestling team has progressed tremendously due to the hard work and dedication of both the coaches (Thor Jensen and Mark Staton) and the wrestlers. The team surprised everybody by taking a third place finish in the fourteenth Peninsula Wrestling Tournament held at El Camino, and is a hopeful to beat the two-time N.P.L. champion Oceana in the league finals. This year's top wrestlers were Dave Urrutia, Mike Edmonson, Dave Parodi, Dave Mills, Mike Newman, and Tim Gleeson. Dave Serini, the promising freshman from Westborough, was injured and put out for the season; this was a bad loss, since he could have performed well for the team.

This year's team would like to give a special thanks to Coaches Thor Jensen and Mark Staton for doing an excellent job.

NEW WAVE

FLOODS E.C.

A new trend in music called new wave has taken over the students of El Camino. Everywhere you go, you can always see someone dressed as a punk rocker. New Wave music is even played at all the school dances. With songs as "Whip It" and "The Tide Is High", kids punk out every chance they get.

New Wave and punk rock even influenced Spirit Week. The Senior class decorated the courtyard in early punk. Everyone came to school dressed as a punk rocker. They even had Devo playing through the day. All in all, this year will be known as the year El Camino went punk.

Shelly,

Well where do I start? We have gotten to be really close friends this past year. And we also became working out partners. I can't wait till this summer, cause then we'll really get on the ball and start working out. I swear if it wasn't for you sometimes, I would be sitting on my ass in P.E. and if it wasn't for me you would be sitting on yours but in P.E. I think we need eachother. We shared alot of secrets together, and alot of crap about Paul and Jeff. I hope we stay friends and become closer to years ahead of us. Who knows maybe one of these years we'll go to Greece together now that will be awesome!!!!!

Good luck this summer with Jeff, and one thing I can't wait till you get Jeff's 240-Z then we will have a good time.
